ACTIVE

PROFILE

Genuine R&AW officer run by Col. Kaul off the books. Recruited for reach, not violence. Reads a room for loneliness and need rather than exits and break-points. Operating thesis on file: a weapon is answered by a witness, that a person seen is a person reachable. Warm, probing, patient. Carries no offensive load by preference.

CURRENT OPERATION

Tasked to approach and turn the Alpha asset. Method is disclosure, not leverage: subject is to be shown a real but bounded truth, that she was weaponized and that her stated origin is a fabrication. Approach staged through hospitality cover adjoining the first contact site.

SEALED — RESTRICTED ABOVE THIS COPY

TRUE PROVENANCE OF THE OPERATION	[REDACTED]	[SEALED]
ACTUAL SCOPE OF THE DISCLOSURE	S [REDACTED]	[SEALED]
CONCEALED HAND BEHIND THE CONTACT	[REDACTED]	[SEALED]
TRUE STATUS OF THE PRINCIPAL	[REDACTED]	[SEALED]

DISPOSITION

Will not escalate to force. On record as intending to offer the asset the truth and stand down rather than fight if the approach turns hostile. Assessed as sincere; this is conviction, not tradecraft posture.

KNOWLEDGE STATE

Believes her tasking originates with Kaul and ends with Kaul. Believes the truth she carries is the whole accessible truth. Carries the file's partial picture in good faith and would brief it as fact.

KNOWN ASSOCIATES

HANDLER Col. Kaul, R&AW; sole tasking authority on record
TARGET Alpha asset (subject: Sita); object of the turn
ADVERSARY Fateh, deniable PMC pivoting from muscle to surveillance; weaponized the target
ROUTING ORIGIN [SEALED] see redacted cover line

TRAINING

R&AW human-intelligence track with emphasis on elicitation, rapport-building, and undercover persona work in civilian hospitality and aid-sector settings. Counselling-grade interview technique. Minimal weapons and close-combat qualification, by design and personal preference; she is built to talk, not to fight.

CAPABILITIES

Exceptional at reading need, attachment, and isolation, and at converting them into trust. Sustains long-form cover under pressure. Strong on disclosure-as-instrument: timing a true revelation to break an asset's loyalty. Weak on counter-surveillance of herself and on detecting when her own tasking is being steered; trusts the chain above her.

OPERATIONAL RECORD — SELECTED

2025 – recruited to chain; matched to Alpha asset turn
2025 – hospitality cover established adjoining first contact site
FIRST-HALF BREAK – partial truth delivered to asset (weaponization + false origin)
CONTACT POINT – asset arrives hostile; subject does not resist
SUBJECT'S UNWITTING ROLE IN THE A [REDACTED] [SEALED]

THREAT LEVEL - LOW (DIRECT) / HIGH (INFLUENCE)

Carries no offensive intent; danger is the loyalty she can move with a single true sentence.

STANDING ORDERS

Maintain cover. Continue the approach to the Alpha asset through disclosure only. Do not escalate to force under any circumstance. Report all contact directly to Kaul and to no parallel channel. Treat the disclosure package as complete; do not freelance beyond brief. Stand by for extraction on Kaul's word.
